

**next level
globalization**

Next Level Globalization is your dedicated partner for innovative localization services and international business projects. With customized technology solutions, an experienced team, and a proven track record, NLG can help you share your business's message with the world. NLG is more than a language and translation company. We are a full-service localization leader, providing a wide range of services to clients in the Life Sciences and Industrial Manufacturing sectors. When you work with NLG, you'll benefit from over a decade of unparalleled experience in translation and localization, workflow management, process design, and development of customized tools—all with an industry leading, personalized approach.
